

THURSDAY, OCTOBER 29 · 8:00 PM

FREE HALLOWEEN DRONE SHOW IN OCEANSIDE

Creative Skies Drone Light Shows will light up the sky over Oceanside High School with a free Halloween drone show for the whole community, featuring a giant drone skull with fiery eyes and a scannable QR code drawn in the sky that streams the show soundtrack to phones in sync with the lights.

WHEN

THU OCT 29

Show starts 8:00 PM

WHERE

OCEANSIDE HIGH

1 Pirates Cv, Oceanside, CA 92054

ADMISSION

FREE

Open to the public, all ages

PRODUCED BY

CREATIVE SKIES

SHOW HIGHLIGHTS

- **About 300 drones** flying as one, forming Halloween images high above the athletic fields.
- **A giant skull with fiery eyes** that turns to face the crowd inside a ring of fire.
- **Family friendly:** guests are encouraged to bring blankets, chairs and costumes.

Bring your phone. The first formation is a giant QR code. Scan it from the ground and listen to the show soundtrack in sync with the drones.
